

Key Stage 3 Curriculum Map Mathematics

	Autumn Half Term 1	Autumn Half Term 2	Spring Half Term 1	Spring Half Term 2	Summer Half Term 1	Summer Half Term 2
	Year 1	Knowledge acquired				
Place value Written calculations and worded questions		Probability 2D and 3D	Simple algebra Money and fractions	Measures and coordinates Handling data	Algebra Measuring	Problems Transformations
Skills acquired						
<ul style="list-style-type: none"> Number, Shape & space, data and probability 						
Key Assessments taking place						
<ul style="list-style-type: none"> Summative assessments including Homework, topic by topic assessment, classwork assessment 						
	Autumn Half Term 1	Autumn Half Term 2	Spring Half Term 1	Spring Half Term 2	Summer Half Term 1	Summer Half Term 2
	Knowledge acquired					
Year 2	Written Calculations Fractions Decimals and Percentage	Probability 2D and 3D shapes	Sequences Functions and graphs Measuring and coordinates	Statistics and Presenting data Problems solving	Equations formulae and graphs Ratio and proportion	Angles Handling data and probability
	Skills acquired
